How you can help with your child's learning at home:

Keep on practising those rhymes at home, you can even try to make up your own, or swap some of the words around to make new rhymes!

Don't forget there are maths challenge cards you can borrow from the classroom and work through together with your child at home. They are kept in a little tub on the shelf next to the children's coat pegs.

The graphemes we will be learning this half term are;

ck e u r

h b f ff

l ll ss j

v w x y

z zz qu

Class notes:

As part of our new topic 'Stories' it would be lovely if you could send a copy of your child's favourite book (or picture of) for them to share with the class, and to have a picture taken for our class display wall!
