Dear Cherry Parents and Carers,

A warm welcome to Cherry Class! This first half term the children will be settling into school and their new class.

You will find information on what your child will be learning in the booklet

We feel that a good relationship between home and school is really important in your child's learning, so please do come to speak to us if you have any queries or concerns. There are daily opportunities for you to speak to us during morning 'settling' times, or you can arrange for a more convenient time.

Enjoy the first half term!
