

As writers we will be exploring the features of non-fiction writing. We will be writing our own non-fiction books based on our topic work of planets.

We will be practising our spelling and grammar skills using games, homework and other activities.

As Mathematicians we will look at a range of written methods for addition, subtraction, division and multiplication. We will also explore 2D and 3D shapes and fractions.

As Scientists we will learn about the Earth and the planets in space. We will look at how forces affect our everyday lives. We will learn about the importance of light and how light travels.

PSHCE and RE

PSHCE Rules and laws

RE Christian beliefs

Literacy

Suspense and Mystery writing,
Recounts, Explanations Vocabulary building, grammar and spelling.

Mathematics

Written methods, mental maths, problem solving, times tables.

To Infinity and Beyond

Science

Earth and Space

Forces

Light

Computing

Word processing, web searches, coding and E-safety.

The Arts

Sketching, painting, form

As Artists we will work to improve our mastery of art and design techniques, including drawing, painting and sculpture with a range of materials. We will be making models of Eco-pods that we have designed.

P.E

Tag Rugby and Football

In PE we are learning the skills to play Tag rugby and football.

Humanities

Human Geography and the History of the world.

As Geographers we will talk about information given in Earth and The Universe about dangers threatening Earth. As Historians we will learn about the Triassic, Jurassic and Cretaceous periods.

Homework

Oak Class pupils will receive one piece of Maths, English and Spelling homework each week. There will also be a Topic based piece of homework which will run for the half term.

This homework is in addition to reading which should be happening every night.

Homework will be given out on a Monday and is due back on the following Monday, when new homework will be issued. Your reading record book should also be handed in on Monday with your homework

Thank you for your support and please see me if there are any queries.

PE and Music

This term in PE the children are learning the skills of Tag Rugby. They need their PE kits on a Wednesday and Thursday.

In Music, the children are being taught drumming and singing.

Lyng CE Primary School

Oak class Autumn Term Curriculum Newsletter

Dear Parents and Carers,

Welcome to the start of another exciting year in Oak class.

This year we are starting the autumn term with a new topic based around Space and Dinosaurs. During the first half term we will base our topic and literacy work around 'The Land of Neverbelieve' by Norman Messenger. This beautifully illustrated book introduces children to a new land of strange and curious delights. We will base our literacy writing on the Land of Neverbelieve, we will explore science through this land. We will enjoy making a class display and produce some drawings and paintings from this mystical land.

During the second half term we will be learning about Dinosaurs. In Science we will be looking at evolution and adaptation and the reasons the Dinosaurs are no longer with us. We will be creating some exciting art work. I look forward to seeing the children's independent work from their half termly homework.
