

In addition to the topic related activities, there is also daily planned time and provision for the children to follow their own individual interests.

### Communication and Language

In our daily phonics and guided sessions we will learn about:

Sharing our own interests and opinions by answering questions with relevance.  
Learning about others by asking relevant questions.  
Using different tenses accurately in our talk.

### Maths

In our daily maths sessions we will learn about:

Counting and addition  
Comparing numbers  
3D shape and direction  
Solving money problems  
Time  
Recognising numbers to 100

### Personal, Social, Emotional Development

In guided and weekly key worker and whole class sessions we will learn about:

Finding out about differences and similarities between ourselves and others  
Dealing with changes and transitions

## PEOPLE AND PLACES

### Expressive Arts and Design

During each day and in guided weekly sessions we will learn about:

Making choices about how to present our own ideas  
Portraits  
Different types of cultures and families through song

### Literacy

In our daily phonics and weekly guided writing sessions we will learn about:

Writing a letter to share and find out information.  
Using a computer to find out new information.  
Interesting story starters and connectives.

### Understanding the World

In guided and weekly sessions we will learn about:

Logging on to a computer  
Technology in the home and school  
Properties of everyday materials  
Features of our environment  
Where we live  
The families of our own and others

### Physical Development

During each day and in weekly PE sessions we will learn about:

Ways to keep safe and healthy at school and home  
People who help us in our local community  
Multiskills practise for Sports Day

**How you can help with your child's learning at home:**

When your child is writing at home, gently help them to remember to use finger spaces and form letter letters correctly.

When you are out and about help your children to recognise the different types of technology you can spot and what they can be used for.

Around and outside of your home, help your children to recognise important features, landmarks and environment type.

**Class notes and dates:**

It would be great if you could continue to support your children in the transition process by reminding them to take out and pass on to the adults any letters and other bits and pieces from their book bags!

The last day to order your Sports Day bbq meal is Friday 12<sup>th</sup> June.

Cherry and nursery 'Marvellous Maths' themed activity afternoon Wednesday 17<sup>th</sup> June.

Tuesday 30<sup>th</sup> June Cherry Class yearly cluster 'Come Camping' themed school day out (letter and details to follow!).
