

In addition to topic related activities, there is also planned provision and time allotted daily for the children to pursue their own individual interests and passions!

Expressive Arts and Design

During each day and in guided weekly sessions we will learn about:

How to handle instruments
Instrument sounds and how to change them

Literacy

In our daily phonics and guided sessions we will learn about:

Naming and labelling work
Letters and sounds
List writing
Instructions

Communication and Language

In our daily phonics and guided sessions we will learn about:

Letters and sounds
Following and giving instructions
Superhero rhymes

Maths

In our daily maths sessions we will learn about:

Prepositions and direction
Data handling
2d shape
Symmetry
Weight
Addition and subtraction

Personal, Social, Emotional Development

In class each day and through weekly key worker sessions we will learn about:

Positive learning behaviours
Recognising that we are unique
Team work and co operation

Physical Development

During each day and in weekly PE sessions we will learn about:

Spatial awareness
Gymnastics
Using equipment safely
Dressing and undressing independently

Superheroes!

Understanding the World

In guided and weekly sessions we will learn about:

Using a computer keyboard
Programming a technological toy
Seasonal change and celebrations
The roles of people who help us

Lyng CE Primary School

How you can help with your child's learning at home:

This half term we will be slowly developing the children's awareness of their individual learning journeys, and how to help themselves progress and achieve. To support this, we will begin display the children's individual 'Next Step challenges' on the classroom wall. One will be literacy based, one for maths, and one will be relating to another area of learning (social, physical etc). When we all agree that the children have shown us that they have securely achieved a next step, we will update them with a new one to support them in progressing further! If you are noticing at home that your child is showing steps towards their next step, please do let us know by updating your child's learning journey, or by recording it on a home learning slip. Similarly, keep your eyes peeled for more short term next steps recorded in the online learning journeys for ideas of how you can help move your child's learning on at home!

Also, keep a look out for upcoming useful learning website links on the school internet page (www.lyng.norfolk.sch.uk) which you can use to support your child in many different areas of learning at home!

Cherry Class dates:

- Cherry Class Forest School afternoons; Fri 15th Jan, Fri 22nd Jan, Fri 29th Jan, Fri 5th Feb.

Dear Cherry Parents and Carers,

Welcome back, and a happy new year!

This half term we are focussing on the Superhero and People Who Help Us theme. As mentioned previously, if you are or know anybody who has experience in a profession that helps others (vet, doctor, police etc.) and they would like to pop in over the next few weeks to talk to the children about their role, we would greatly appreciate it!

Miss Elliott
