

In addition to topic related activities, there is also planned provision and time allotted daily for the children to pursue their own individual interests and passions!

Communication and Language

In our daily phonics and guided sessions we will learn about:

Letters and sounds
Spring rhymes
Composing relevant

Maths

In our daily maths sessions we will learn about:

Recording number problems
Solving money problems
Time
Using 3D shape

Personal, Social, Emotional Development

In class each day and through weekly key worker sessions we will learn about:

Dealing with our emotions effectively
Exploring how we are similar and different to each other

Expressive Arts and Design

During our self-initiate play time and in guided weekly sessions we will learn about:

Planning and designing our work
Sculpture and using natural resources in art
Using malleable materials

Literacy

In our daily phonics and guided sessions we will learn about:

Naming and labelling work
Using information books
Intro to poetry
Composing our sentences aloud

Understanding the World

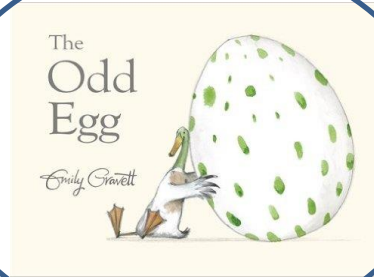

In guided and weekly sessions we will learn about:

Using a computer keyboard
Ways of finding out new information
Family types
Seasonal change and celebrations
Life cycles

Physical Development

During each day and in weekly PE sessions we will learn about:

Dressing and undressing independently
Ball skills
Forming our letters correctly

Lyng CE Primary School

Cherry Class

Spring Term 2 Newsletter

How you can help with your child's learning at home:

Please continue to listen to your child read at least once a week at home, and briefly record the date they were heard in their green reading records. If you like to listen to your child read more often, don't forget you are free to use your own books from home or a library etc to help them practise their reading. Any way you can find to make reading fun, fresh and a bit of a challenge!

As we will be taking another look at money this half term, it could be really useful to begin pointing out price tickets and coin values while you are out and about. You could even begin to help them think about calculating small amounts while you are out shopping together!

Cherry Class dates:

- Lyng School Easter church service Weds 23rd March 2.15pm
- Cherry Class farm trip Tues 22nd March

Dear Cherry Parents and Carers,

This half term we will be looking closely at growth and change particularly in spring related creatures. We will be receiving some spring classroom visitors and will be finishing off our topic by visiting a local working farm!

It would be really helpful if you could send your child to school with a photograph (or copy of) them when they were babies, so we can compare how much they have changed! Let us know if you are happy for us to use them as part of our classroom wall display.

As always, we love receiving your input to help us with the children's learning, so if you think of anything relating to our topic to lend, talk about, or share with the class, please do let me know!

Miss Elliott
