

We will be asking questions about eggs. Then as readers we will be exploring non-fiction texts to answer those questions. We will be looking at the key features of information texts, reading contents pages and an index before finding out facts. Year 2 will also find out how to scan a text for suitability before reading in depth.

As artists we will be exploring Faberge eggs and then designing and creating our own collage eggs. We will be making Mothers Day and Easter cards.

We will also be cooking with eggs.

As scientists we will be finding out about eggs, what they are like and how they differ. We will be exploring the life cycles of a chicken, butterfly, frog and fish, finding out what they need to live and grow. We will also be looking more widely at Spring and naming some Spring plants.

Art and D&T

Collage eggs plus cards

Science

Life cycles and signs of Spring.

Computing

Using technology to develop keyboard skills, locate and present information.

PSHCE & RE RE: Spring celebrations

PSHCE : setting goals and working towards our next steps .

Literacy

Non-fiction texts

Exciting Eggs

History

None this half term

Maths

Measuring. Telling the time.
Multiplication and division.

P.E.

Multi skills and gymnastics

As mathematicians we will be finding out how to measure accurately in cms, ms, ml and l, gs and kgs. We will be applying this learning to finding out problems eg 'Do fresh eggs weigh the same as boiled eggs?' We will also be using our skills and knowledge in cooking. We will become wildlife experts using our ability to count in groups of 2,5 and 10. Year 2 will also be encouraged to know their 2,5,10 times tables and be able to recall facts in any order.

In PE we will be developing invasion games skills through the FA skills programme, introducing football and multiskills sessions. Dance will also be taught

None this half term.

Our topic is 'Exciting Eggs'. Below is a list of what we will aim to look at each week.

Week beginning 19.2.18: assorted eggs with focus on chicken eggs.

Week beginning 26.2.18: fish eggs

Week beginning 5.3.18: frogspawn

Week beginning 12.3.18: caterpillars to butterflies

Week beginning 19.3.18-28.3.18: Easter

P.E. Thursdays and Fridays

Music: recorders with Mr Corfield every Tuesday pm

General class dates:

Parents evenings 20.2.18, 26.2.18, 28.2.18

Fairtrade Friday 23.2.18

World Book Day + Go Go Hares 2.3.18

Sport' Relief Day (dress in sports clothes): 21.3.18

Easter service 28.3.18

Forest School sessions Please could all children have a change of clothes, a suitable coat and wellington boots.

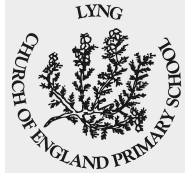

Dates for this half term:

23.2.18

9.3.18

16.3.18

Lyng CE Primary School

Willow class

Spring Term (2) 2018

Curriculum Newsletter

Dear Parents and Carers

This term we look forward to introducing some new creatures to the class!

We will be hatching eggs into chicks, frogspawn into frogs and learning lots of interesting egg facts.

The children in Willow get very excited about our learning and it is lovely to see them researching at home and bringing information in, plus things they have made to support our topic.

Continued regular reading practice is also vital in supporting what your child does in school. Reading widely and often has a very positive effect on both reading and writing. Year 2 also bring home weekly handwriting sheets to practise.

Reinforcing and consolidating maths learning at home is also really valuable and 'Mathletics' offers many opportunities to learn and apply. All children have a log in the front of their reading records.

Thank you for your continued help and support, Mrs Tebbutt.
