16. The school listens and responds to concerns I have	54%	34%	6%	6%	-

Thank you to all those who completed the questionnaire. The results show an improvement on the previous questionnaire, and indicated a couple of areas we could develop further.

Some parents also provided their feedback on aspects of communication with parents through website, newsletters, curriculum newsletters, termly report, annual report, Drop In, Parent consultation meetings, parent workshops. The vast majority responded positively, finding all these methods very 'helpful', 'useful' and 'informative'. Parents felt pupil reports were very 'thorough' and most thought they were personal to the child. A small number of parents felt a texting service would be beneficial as a reminder for events and activities.

As a result of the responses we will be :

- Looking at possible options for Drop In, as some respondents considered it a bit rushed.
- Aiming to ensure that the website has the up to date newsletter with diary dates; that the website maintains the 'upcoming events' section on the main page. This will enable the school to reserve texting funds for more urgent messages, such as a change due to unforeseen circumstances (eg travel delay; tournament cancellation)
- Providing regular reminders about parking around the school.
