

This term we will be focussing in school on the value GENEROSITY. We hope your family will find these ideas helpful as you explore the value and have fun together.

## TALK ABOUT GENEROSITY TOGETHER...

When we think about **generosity** we usually think about being **generous** with money or possessions. However, we can also be **generous** with our time, our gifts and our abilities.

**Generous** people often say that they receive much more than they give. Perhaps this is because when someone is **generous** to us, it makes us want to be **generous** in return. The opposite of being **generous** is being selfish. What kind of person would you prefer to have as a friend?

- How would you describe yourself on this scale?

- Where would other members of your family put you on the scale and what are their reasons?
- Who is the most **generous** person you know?

## THINK TOGETHER ABOUT WORDS OF WISDOM

“God loves a cheerful giver”  
2 Corinthians 9.7

New King James Version® of the Bible

## QUIZ

### Lost Letters

Which letters are missing from the alphabet? Arrange them to make a word from the story.

## READ TOGETHER...

### The Widow's Mite

Jesus had been teaching in the Temple. But now he sat down near the treasury and watched as the many visitors to the Temple passed by and dropped money into the collecting box to help with God's work.

The rich men dressed in fine robes threw in handfuls of coins as they passed, without a thought. But then a poor widow came by, paused, and placed just two mites (tiny coins) into the box.

Jesus called his disciples to him and told them what he had seen.

Then he said to them, “Let me tell you, this poor widow gave more than all those people who threw many coins into the treasury. The wealthy men gave just a small part of their riches which made no difference to them. But the widow gave all that she had.”

You see, God is more interested in what is in the heart of the giver than the size of their gift.

Bible story based on Mark 12:41-44

**A Mite** in Jesus' time was a small brass coin worth 1/128th of a denarius. Typically a labourer was paid 1 denarius for a day's work.

In Britain, many years ago, a coin called a mite was in general use and worth half a farthing, a very tiny amount of money.
