

Half termly Homework Challenges.

Year Four

Spring 2 2019

Name:

Class:

Spellings

Can you learn to spell all these words?

different
exercise
regular
complete
remember
sentence
separate
special
thought
weight

Your task is to learn them over this half term,
until the Easter holiday. Aim to learn as many as
possible.

You need to also keep on learning your previous
tricky words too!

Maths

Your maths challenge for this half term is to learn the 7, 8, 9, 11 and 12 times tables and division facts off by heart. This time, try and answer within 6 seconds. In June, Y4 will be completing the Government's pilot times tables check so it's important that they are quick to recall the facts that they know, but also learning the ones they are less confident with.

You also need to be going on Mathletics to help you in other areas of maths. Can you challenge yourself to go on every school day?

Reading

Can you practise reading every day?

Can you answer these questions with an adult about the book you are reading?

examples of questions

What question would you ask the main character?

What do you think will happen next

What has been the most exciting and interesting part for you and why?

Please also fill in the work pages of your reading records!

Topic Homework

Dear Rowan Class,

My name is Molly the tooth fairy! I am writing to you to ask you about how to look after your teeth. Every day, I get children writing to me asking about the best ways to look after their teeth and I was wondering if you could help?

I need a leaflet or a poster explaining how to look after your teeth, for example, the best foods and drinks to have and how long you should brush them for. Of course, it would be really interesting to include some fun facts about teeth too!

I hope you can help me! There will be some prizes for the best ones!

From, Molly ☺

During our topic lessons this half term, we will be learning all about the teeth and mouth and how to properly look after them.

Can you help Molly create a leaflet or a poster all about how to take care of your teeth?

Due in on Friday March 29th at the latest, as Molly needs to look through all of them before we break up for Easter!
