Your task is to learn them over this half term, until the half-term holiday. Aim to learn as many as possible.

Set yourself a challenge.

Maths

Your task for this half term is to.....

- Be able to add and subtract 2 numbers to 20 using a number line to 20 or 100 square.
- Begin to add and subtract numbers mentally using what you know about counting in groups and number pairs for 10.
- Apply addition and subtraction to everyday situations.

Reading

Aim to read every day. See if you can answer these questions about the book you are reading.

- Who are the characters in the book?
- What are the characters like? How do you know?

You can also fill in pages of your reading record book.

Topic Homework

This term, we are learning about ourselves and how to be healthy through our topic 'The Special Box'.

Your task is to talk to your parents and grandparents about what life was like when they were growing up. You could record what you have found out through writing, photos, recordings or pictures.

Please bring in a photo or drawing of your family and anything else which is special to you at this period in your life to put in your special boxes which we are making at school.

The boxes will be completed by the end of term.
