

NEWSLETTER

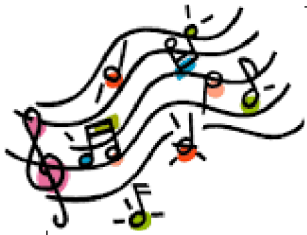

May 2019

The National SATs for Year 6 pupils were completed last week with a celebratory 'conga' round the field in the sunshine! They have worked hard, and maintained focus during the tests, which have to be carried out in 'exam' conditions. Well Done Year 6!

Tests have also been taking place for other year groups including statutory Year 2 Sats. With such young children, we approach these in a low key way and so they are just part of the school day for the pupils. In June there will be the Statutory National phonics test for Year 1 pupils, and we are taking part in the national pilot for the new Year 4 multiplication tests.

There is much more to come next half term, with lots of school based activities and trips out so please check the website and newsletters for your diary dates.

Lyngitude Make Music Day Event

Lyng Community Hall
Friday 21 June 9.45-11.00 am

The school will be making music!

- there will be singing and instrumental performances from both children and adults.

We hope you will be able to join us.

Numbers will be limited to one person per family, due to hall capacity.
Please collect a ticket from the office between 3-7 June.

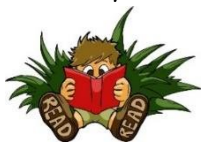

Library Competition

The summer 2019 Library competition has been launched and this term's theme is Dinosaurs ... Look out for the poster for details and enter a story or illustration to win a fantastic book or a book token. Closing date is 26 June.

Explorer Cafés

Many previous attendees have requested 'maths' and 'outdoors' in your evaluations, and so this term, this will be the focus with maths and outdoors- we hope to inspire you to take learning outdoors in the summer!

Dates as follows: Cherry 14 June 9.10am, Willow 17 June 2pm,
Rowan 10 June 2pm, Oak 14 June 2pm

FOLS - Thank you to Fols for providing transport for school visits, and prizes for the library competition.

7 June - Mufti Day ; non uniform in exchange for a bottle to support the community bake off on 15 June.

24 May - Fols have organised a disco for pupils, this time it is being held in the community hall - see Flyer

Newspaper tokens - thank you to everyone who collected these - we were able to purchase £100 value in books for the school library.

Parking

At this time of year, we have more pedestrians and cyclists travelling to and from school. Please take care when there is congestion, and keep the access areas clear and visible by not parking or waiting near the school entrance or on the yellow zigzag lines.

Our Values

Next half term we will be learning about Respect. Children will be learning about Respect as : remembering others, valuing others, and valuing special places , valuing different opinions. We will be thinking about how we can show respect, and particularly about how we should treat others as we ourselves would wish to be treated.

Sunsafe

Our recent assembly reminded pupils about the importance of sun protection.

We like to learn outside in good weather so remember to give your child a sunhat – ideally protecting face and neck.

Sun cream can be provided – please show your child how to apply it so they can do this for themselves in school.

Water bottles should be taken home, washed and refilled for school daily.

Pupils are expected to take care of their belongings and it helps if everything clearly named please.

Sports News

Tri Golf – Our team were great sports and enjoyed participating in the tournament. All receive a certificate, and Lara an additional award for demonstrating the School Games values.

Hi 5 Netball – Our team played exceptionally well together and won all their matches, finally being pipped to the top spot in the very last match. Phoebe F receives an additional award for her demonstration of the School Games values.

As always, our pupils were commended for their excellent sportsmanship,
and representation of their school.

Well done to all our Sporting stars this half term.

Sporting Activities continue next half term, including Sports Week.
