

Hello Willow Class. I hope you are all staying safe and well. Looking after ourselves and each other is the most important thing at the moment.

It has been great to see the sunshine and to watch nature. I know I have definitely spotted things I wouldn't normally have noticed. It's good to think that nature is carrying on as normal even when we can't. Exploring the world around us, even if it is only in our gardens can be a very exciting thing to do.

Hopefully you will also have been able to do a little learning in other things as well. It would be great to hear from you via the school office e mail. Maybe you could share some of the things you have been doing or making.

Take care and stay safe and well.

Mrs Tebbutt
