

Hello Rowan Class!

Happy Monday, and for all you Star Wars fans out there, May the Fourth be with you!

Despite the disappearance of the sun, I hope you are all keeping well and are managing to get out for walks and exercise. It's so important to do these things as they do wonders for our wellbeing.

As we have been isolating for well over a month now, I am sure you have got a routine sorted and are making time for learning in your day. I just want to say well done to all the parents who have taken on the role as teachers. You're doing an amazing job!

However, it is also important that you also make time for fun in the day as well so the children can stay motivated - doing a puzzle, baking, arts and crafts are all brilliant things. Anything extra that you have been doing - whether it's a picture you've drawn, a cake you've made, or even if you've managed to teach your pet a new trick, do send me in photos. I'd love to see how you've been getting on!

By now, parents would have received a Rowan Class email address. This has been set up so parents can contact me about work, queries or sending in photos of the good things you have been doing.

I am more than happy to help during the hours of the school day.

Many thanks for everything so far Team Rowan!

Miss Cartwright ☺
