

w/c 4.5.20

Hello again Willow Class pupils and parents,

I hope you are all well and keeping busy whatever you are doing- hopefully you have been able to do some of the learning I have set you as well!

It's been good to hear from some of you. We now have a special Willow Class e mail which will make it easier for us to communicate.

If the weather is fine this week try and get outside as it is good to keep your body and mind healthy. I know many of you enjoy looking for bugs so happy hunting. Just remember to treat them with respect and put them back where you found them.

Lots of learning at the moment has links to the internet. The internet can be really useful in finding out more. However, remember to keep safe on the internet and share anything you aren't happy about with a grown up.

Watch Episode 1 <https://www.thinkuknow.co.uk/parents/jessie-and-friends-videos/> and maybe you can learn the song.

Take care and keep safe and well.
Mrs Tebbutt
