<p>Topic/Computing</p>	Topic	<p>We have now completed our work on the Vikings. We are now going to look at the countries that make up Scandinavia. This week, I would like you to research and create a poster about Denmark. You will need to include information on the capital city, currency, the physical geography (e.g. rivers, mountains, landscape) and the human geography (e.g. tourist sites, population) and any other weird and wonderful facts you can find (the weirder and the more wonderful-er... the better!!!)</p>
	Computing	<p>https://projects.raspberrypi.org/en/codeclub/scratch-module-1 Choose one (or more if you fancy) of the Scratch projects to compete in the Scratch modules.</p>
