

Rowan Class – Year 4 - Week beginning June 1st 2020

Maths: Reasoning    English: Reading, spellings, vocab, grammar    Topic: Denmark    Computing: Coding using Scratch.

<p>Maths – see the attached pictures for an example of how to solve the problems.  <b>**Please also encourage your child to access Mathletics daily on top of the work set**</b></p>	Monday	<p>Daily practise of a times table of your choice – choose a table that you find tricky.                      Day 1 of the Rapid Reasoning PDF.                      Parents – answers and guidance on the questions are also included in the pack for each day 📄</p>
	Tuesday	<p>Daily practise of a times table of your choice – choose a table that you find tricky.                      Day 2 of the Rapid Reasoning PDF.</p>
	Wednesday	<p>Daily practise of a times table of your choice – choose a table that you find tricky.                      Day 3 of the Rapid Reasoning PDF.</p>
	Thursday	<p>Daily practise of a times table of your choice – choose a table that you find tricky.                      Day 4 of the Rapid Reasoning PDF.</p>
	Friday	<p>Daily practise of a times table of your choice – choose a table that you find tricky.                      1 round of Maths Frame times tables check. Note down your score.                      Day 5 of the Rapid Reasoning PDF.</p>
<p>English  <b>**Please also encourage your child to read daily either independently or to an adult or older sibling**</b></p>	Monday	<p>Read the information about aliens on pages 2-3                      Complete page 12.</p>
	Tuesday	<p>Read the information about aliens on pages 2-3                      Complete page 13.</p>
	Wednesday	<p>Read the information about aliens on pages 2-3                      Complete page 14.</p>
	Thursday	<p>Read the information about aliens on pages 2-3                      Complete page 15.</p>
	Friday	<p>Read the information about aliens on pages 2-3                      Complete page 16.</p>
<p>Topic/Computing</p>	Topic	<p>We have now completed our work on the Vikings. We are now going to look at the countries that make up Scandinavia.                      This week, I would like you to research and create a poster about <b>Denmark</b>.                      You will need to include information on the capital city, currency, the physical geography (e.g. rivers, mountains, landscape) and the human geography (e.g. tourist sites, population) and any other weird and wonderful facts you can find (the weirder and the more wonderful-er... the better!!!)</p>
	Computing	<p><a href="https://projects.raspberrypi.org/en/codeclub/scratch-module-1">https://projects.raspberrypi.org/en/codeclub/scratch-module-1</a>                      Choose one (or more if you fancy) of the Scratch projects to compete in the Scratch modules.                      If you want to challenge yourself further, you can begin to look at Python coding. This is especially useful for the move up to Y5.</p>

Rowan Class – Year 4 - Week beginning June 1st 2020

Maths: Reasoning    English: Reading, spellings, vocab, grammar    Topic: Denmark    Computing: Coding using Scratch.

PE	Activity 1	Joe Wicks workout
	Activity 2	Cosmic Kids Yoga
	Activity 3	Real PE: The website address is: <a href="https://home.jasmineactive.com">home.jasmineactive.com</a> Parent email: <a href="mailto:parent@lyngcofepr-1.com">parent@lyngcofepr-1.com</a> Password: lyngcofepr
Art/Crafts	Activity 1	<a href="https://www.kidspot.com.au/kitchen/recipes/3-ingredient-apple-danish-recipe/2bqwymgm">https://www.kidspot.com.au/kitchen/recipes/3-ingredient-apple-danish-recipe/2bqwymgm</a> Have a go at making this simple apple Danish recipe!
	Activity 2	Design and make your own flag of Denmark.
