Topic : fruit and vegetables

Maths	Monday	<p>This week we will be practising counting, reading and writing numbers. In preparation choose any number between 1 and 100 and write the next 10 numbers. Repeat several times starting at different numbers. This could be on paper, with chalk, using an old paintbrush and a bucket of water outside, fridge magnets, using natural objects, such as sticks or stones to make the digit shape, or your own idea.</p> <p>Here is a game you can play: https://nrich.maths.org/161/index</p> <p><i>Additional challenge: if you are confident in writing numbers to 100 start at any number over 100 and write the next 10 numbers.</i></p>
	Tuesday	<p>In maths it is good to be confident in knowing quickly where numbers are on number lines or 100 squares.</p> <p>Try this activity - choose your own challenge in the first column- 'direct'. https://www.topmarks.co.uk/learning-to-count/helicopter-rescue</p> <p>Then try the second column - 'in between'.</p> <p><i>Additional challenge: talk about the digits and what they are e.g. in 56: 5 is five tens and 6 is six ones. In 142 : 1 is one hundred, 4 is four tens and 2 is two ones.</i></p>
English	Monday	<p>Write about something that you have done in the holidays. This could be as a diary or as news report.</p> <p>Read your reading book.</p> <p>They will be brought to school and changed on TUESDAYS only.</p>
	Tuesday	<p>Read through your writing from Monday. Check the spellings are your best try. Is the punctuation in the right place, for example, have you got a capital letter to start a sentence and a full stop to finish the sentence?</p>

		Send it to me if you can via the class email willow@lyng.norfolk.sch.uk .
Phonics and handwriting	Monday	For the next few weeks we will be concentrating on going over all the sounds you know. These are called Phase 5 sounds. Try reading and finding the words in the word search below.
	Tuesday	Today try writing the words to match the pictures. Remember the spelling rules you have learnt in school and in your home learning last half term e.g. 'ai' goes in the middle of a word and 'ay' at the end of a word.
Topic/ Science	Topic 1	This term our topic is 'Field to Plate'. In school this week we will be naming, sorting and painting fruit and vegetables. Look in your kitchen or garden and name all the fruit and vegetables you can find. Talk about what part of the plant it is e.g. celery is the stalk. Also discuss where they grow e.g. in a field/ garden in this country or in another country.
	Activity 1	Cosmic Kids Yoga https://www.youtube.com/user/CosmicKidsYoga Or go for a walk, bike ride or make your own obstacle course in your garden.
Art/Crafts	Activity 1	Create a healthy plate of food. You could do this with real food or use the cut and stick activity below. If you can't find the food you like draw it instead.
