

Half termly Homework Challenges.

Year Three

Spring 1 2023

Name:

Class:

Spellings

Can you learn to spell all these words?

continue

decide

island

minute

difficult

earth

consider

enough

Your task is to learn them over this half term,
until the half-term holiday. Aim to learn as
many as possible.

You need to also keep on learning your previous
tricky words too!

Maths

Your maths challenge for this half term is to learn the 2, 3, 4, 5 and 6 times tables and division facts off by heart. This time, try and answer within 10 seconds.

Please access Times Tables Rock Stars daily, even just for a few minutes per day. Email Miss C if you need your log in! All children should have them in their reading records.

Reading

Can you practise reading every day?

Can you answer these questions with an adult about the book you are reading?

examples of questions

Where is the story set? How does the writer show this?

What is the genre of this story? How do you know?

What has been the most exciting and interesting part for you and why?

Topic Homework

This term, we are learning about keeping our body healthy. Over the course of one week, keep a food diary so you can track what you are eating.

Try to eat balanced meals and challenge yourself to eat your 5 a day!

Research some tasty and healthy recipes and have a go at making them yourselves.

Try to make one a couple of times a week! I love cooking so I would love to see the pictures!
