## Spellings

Can you learn to spell all these words?

straight  
favourite  
strength  
suppose  
surprise  
bicycle  
business  
medicine  
natural  
naughty

Your task is to learn them over this half term, until the May half term. Aim to learn as many as possible.

You need to also keep on learning your previous tricky words too!

## Maths

Your maths challenge for this half term is to learn the 6, 7, 8, 9, 11 and 12 times tables and division facts off by heart. This time, try and answer within 6 seconds.

You also need to be going on Mathletics to help you in other areas of maths. Can you challenge yourself to go on every school day?

Can you make up your own multiplication problems?

## Reading

Can you practise reading every day?

Can you answer these questions with an adult about the book you are reading?

## Examples of questions

Who is telling the story?

What did you enjoy about the story?

What are the main events in the chapter?

How did the characters actions affect the outcome of the story?

**Please also fill in the work pages of your reading records!**

## Topic Homework

We are learning about all things Scandinavia this term! As a class, we spoke about some of the things we wanted to learn about Scandinavia, and one of the things that came up was looking at the food of Scandinavia! Yummy.

Your task for this half term is to do some research about Scandinavian food and have a go at making some yourself.

You could have a go at making...

- Kanelbullar - a traditional Swedish cinnamon and cardamom bun.
- Hasselback Potatoes
- Semla - cardamom brioche
- Drømmekage - a Danish vanilla cake with coconut
- The köttbullar - meatballs
- Or any other things that you find!
