Maths

This half term in Maths we are going to be focusing on learning to tell the time. Please complete the sheet attached. In addition please keep practising...

- Adding and subtracting 2 numbers to 20 using a number line to 20 or 100 square.
- Adding and subtracting numbers mentally using what you know about counting in groups and number pairs for 10.
- Applying addition and subtraction to everyday situations.

Please ensure you are logging on to Mathematics!

Reading

Aim to read every day. See if you can answer these questions about the book you are reading.

- Who are the characters in the book?
- What are the characters like? How do you know?

You can also fill in pages 19 and 23 of your reading record book.

Write the time shown on each clock.

Topic Homework

This term, we are exploring toys past and present through our topic 'The Surprising Toybox'.

Your task is to talk to your parents and grandparents about what their toys were like when they were growing up. You could record what you have found out through writing, photos, recordings or pictures.

If you can please bring in old toys so that we can discover through real objects how toys and games have changed over time.
