

Half termly Homework Challenges.

Year 6

Autumn Term 1 2021

Name:

Class: Oak

Spellings

Can you learn to spell all these words?

individual

interfere

interrupt

language

leisure

lightning

marvellous

mischievous

muscle

necessary

Your task is to learn them over this half term,
until the half-term holiday. Aim to learn as
many as possible.

Set yourself a challenge.

Maths

Your homework is to extend your learning in class into your home learning.

Each week Miss Wharton will give you some ideas about what you could do for homework, linked to our learning in class. Your task is to explain this learning to your adult. This is a really good way of seeing what you have remembered and what you understand. Remember you can always use Mathletics at home. Your log in, is in your reading record.

Reading

Can you practise reading every day?

Can you answer these questions with an adult about the book you are reading?

Before reading the book:

What might happen in this story?

What genre will this story be? E.g. fantasy, horror or comedy.

During the book:

What has happened so far, can you create a descriptive paragraph?

What might happen next, what clues have shaped your opinion?

How do you think the story might end?

Who is your favourite character? Why?

Find two sentences that describe the setting.

Is the plot fast or slow moving? Find some evidence in the text, which supports your view.

At the end of the book:

Would you change any part of the story? How and why?

Would you change any of the characters? How and why?

Which part of the story was the funniest, saddest, scariest, saddest and happiest?

Find some evidence in the text to support your opinion.

If you met one of the characters from the story, what would you say to him/her?

Half Termly Homework.

Our Autumn Term topic is about Ancient Egypt.

Your task is to create a piece of work to do with Ancient Egypt.

You could create an information book, a poster, a leaflet, a model or something else.

Please remember that we haven't got much storage space in Oak, so if you are making a model, please could the size be smaller rather than larger - thank you.

It could be about Ancient Egypt in general or about a specific area, the choice is yours.

If you need paper or card please see Miss Wharton.

The task so the due date is **Monday 18th October.**
