Your task is to learn them over this half term, until the half term holiday. Aim to learn as many as possible.

Remember to keep revising the previous words you have learnt this year. You could add these spellings to sentences to help you learn the meanings.

Maths

This half term we are working on shapes and angles, our learning objectives are listed below:

Can I compare and classify geometric shapes based on their properties and sizes and find unknown angles in any triangles, quadrilaterals, and regular polygons?

Can I illustrate and name parts of circles, including radius, diameter and circumference?

Can I recognise angles where they meet at a point, are on a straight line or are vertically opposite and find missing angles?

Each week Miss Wharton will tell you an activity you can practice at home to embed your number skills. Remember practice is the key to embedding our learning.

Keep revising all your times tables and related division facts up to 12.

Half termly homework

This term we are learning about the geography of the Americas- North and South.

Your task is to make a poster, booklet or PowerPoint about an American area.

You could choose a North American state or an area of geography from the Americas, for example the Grand Canyon, The rocky mountains or the Everglades.

The homework is due in on Monday 23rd May

I look forward to seeing your work.
