

Operation Encompass

Lyng Church of England Primary School is part of a joint operation between Norfolk County Council, Norfolk Police and the school, called Operation Encompass.

Operation Encompass helps school to provide support to pupils who have been present at incidents of domestic violence.

We know that children can be significantly physically and emotionally harmed when they are involved in or present, or witness to domestic violence.

The school will receive a confidential phone call from the Multi Agency Safeguarding Hub before 9am on the morning after any domestic incident where a child at the school has been involved in, present or witness to domestic violence.

Mrs Watson is the designated Key person and has attended training about the project. The designated Key person is able to use the information being shared, in confidence, to ensure the right support is available to children and their families, who have been involved in or witness to a domestic violence incident.

If you have any concerns or questions, then please contact the named designated Key person. Further information about the Operation Encompass project can be found on the [Operation Encompass website](#).
