Sound Discovery w/c 22.2.21

Hello Sound Discovery Group,

How are you all and did you enjoy half term? It must have been nice to have a break from home learning, maybe you went for a cycle ride or a walk around your village?

So for this half term we are going to learn about the alternative spellings for the 'ee' sound and the ' ie ' sound.
Please can you get your adult to test you on these words below to see what you already know and check to read the words too. Don't worry if you if you are finding these tricky as we will be practicing them over the next few weeks.
sweep
speak
became
depart

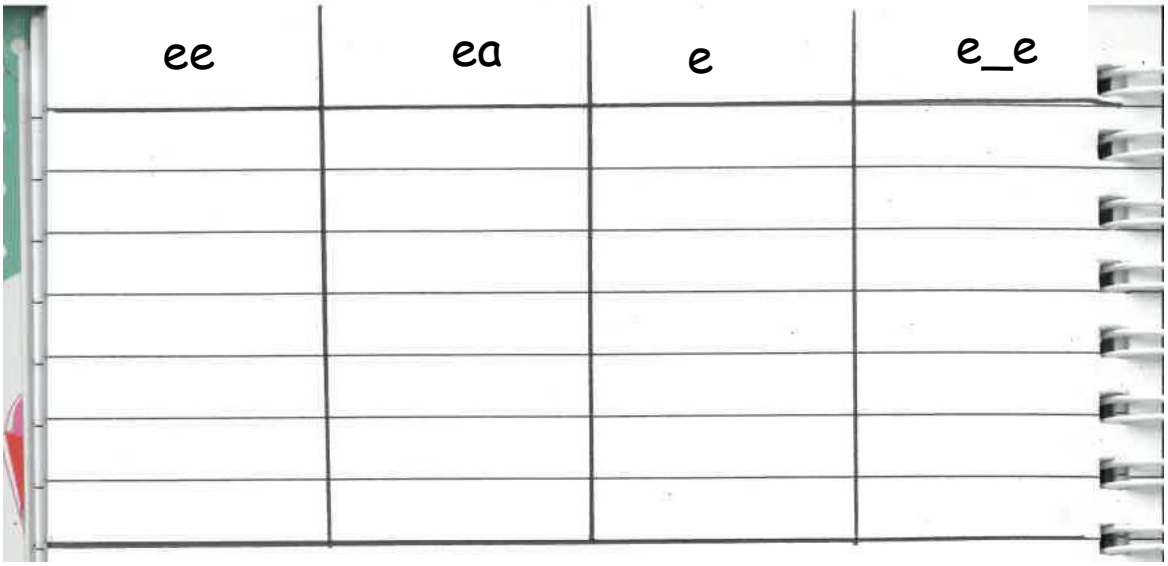
Let me know how you got on with the new words.
Please can you now draw a grid like we have done before and put 4 headings in for the ' ee ' sound . Can you think what they are? The list of words above will give you a clue. You can look at my grid below to help you. We will start to fill this in next week.


From Mrs Warnes
