

Good morning Sound Discovery group,

I hope everyone is OK and that you are starting to enjoy the lovely spring weather? How did you get on with the new list of words to practise? It's great if you can send your results to the Rowan page so we can see how you are getting on.

So for this week we are going to complete the 1st 3 columns of the 'ee' sound. Hopefully you would have drawn the grid last week, ready to fill in?

In the 1st column of 'ee' please can you think of 6 words with this sound and spelt with 'ee' in them?

You may have come up with sheep, sweep, tree or see. Now can you write me 3 sentences using any of your words? My sentence is - Cats can see in the dark. Please can you underline each of the 'ee' words in your sentence to help you remember them.

In the 2nd column of 'ea' please can you now think of 6 words with the spelling of 'ea' in them.

Some of my words are speak, read and team. Again can you choose some of these words to write 3 sentences. My sentence is - Can you read this book? Now underline your 'ea' words in each sentence.

Finally for this week we will be filling in the 3rd column of 'e'. Now can you think of 6 words to go into your 3rd column, remember that they still have the 'ee' sound. My words are became, she and he. Now can you use some of your words to write 3 sentences and underline your 'e' words.

My sentence is- He swam in the pool.

Below is what my grid looks like with the columns filled in so far. We will finish this next week!

I hope that you all have a good week.

From Mrs Warnes.
