*A score above zero means pupils made more progress, on average, than pupils across England who got similar results at the end of key stage 1.

A score below zero means pupils made less progress, on average, than pupils across England who got similar results at the end of key stage 1.

A negative progress score does not mean pupils have made no progress, or the school has failed, rather it means pupils in the school made less progress than other pupils across England with similar results at the end of key stage 1.

The majority of schools have progress scores between -5 and +5.
