## Maths

Your task for this half term is to.....

- Be able to count in twos to 20, in fives to 50 and in tens to 100
- Practise the pairs of numbers which make 10  
eg  $5 + 5$ ,  $6 + 4$

As an extra challenge learn to read and write the words for the numbers 11-20

## Reading

Aim to read every day. See if you can answer these questions about the book you are reading.

- What is happening? Has anything like this happened to you?
- What do you think will happen next? Why?

*You can also fill in pages 9, 11, 13,17 of your reading record book.*

## Topic Homework

This term, we are learning about different types of transport. All of these activities are linked to our topic, please complete as many as you can! Remember to be creative and I cannot wait to see what you come up with!

<b>Create a poster about road safety informing people about how to keep safe when crossing or walking near a road.</b>	<b>Do you know any songs about transport? What songs do you like to listen to when you are travelling around?</b>	<b>Research different types of transport. How do people in different countries like to travel around? How do people travel into space? Has transport changed since your parents or grandparents were younger?</b>
<b>Could you make or design your own vehicle/form of transport? You could make a car, van, bike, helicopter, lorry, tractor, plane, submarine or you could even design your own!</b>	<b>Record the colours of 20 cars which you go by. Use a tally chart to record the colours and then present these in a pictogram or bar chart.</b>	<b>Draw or make your own vehicle using only shapes. Can you name all of the shapes which you have used?</b>
