

As writers we will be exploring the features of fiction and non-fiction writing. We will be writing stories with an element of suspense.

We will be practising our spelling and grammar skills using games, homework and other activities.

As Mathematicians we will learn different methods for adding, subtracting, dividing and multiplying.

We will learn how calculate percentages.

As Scientists we will learn about the importance of electricity. We will learn about voltage, cells and components and how to draw a circuit.

In languages we will be learning French, we are building on our knowledge of greetings and introductions, family words and phrases.

We will learn what makes a good website and how websites are created.

As historians we will learn about the blitz, the role of men and women in the war and how Christmas was celebrated.

World War II

English  
Suspense and Mystery writing,  
Recounts, Explanations

PSHCE We will learn about cultural differences

RE I can explain the place of incarnation and Messiah within the 'Big Story' of the Bible.

As Artists we will further develop our shadow skills by observing the direction of the source of light and the effect of light on objects and people from different directions.

## Lyng CE Primary School

Oak class

Autumn Term 2 2022

Curriculum Newsletter

### Homework

Homework is explained in your half termly homework challenges leaflet. This also includes a topic based piece of homework which will run for the half term.

This homework is in addition to reading which should be happening every night. It would be valuable for your child, to read aloud to you, 2-3 times a week, for about 5-10 minutes at a time. Please remember to sign their reading record book. When you listen to your child read, you could ask them questions about their opinion of the book and what they like and possibly dislike about it. See the questions in the half termly homework challenges leaflet.

Thank you for your support and please email me if there are any queries.

### PE and Music

This term in PE the children are learning the skills of dance and netball. They will need to bring their PE kits on a Monday and Thursday, to change in school.

In Music, the children are being taught to play the recorder.

Dear Parents and Carers,

Welcome back to autumn term 2 2022 in Oak class.

We will continue to learn about World War II. We will learn about what happened to ordinary people and children during the blitz. We will visit Gressenhall and experience a day as 'evacuees'.

We will meet Mabel, the land girl, an ARP warden, Mrs Watts, Granny and Captain Morgan from the home Guard.

As we prepare to celebrate Christmas we will be learning some traditional carols. Our homework is also linked to Christmas.

I look forward to seeing the children's independent work from their half termly homework.

Miss Wharton, Mrs Warnes
