

As writers we will be reading Augustus and his smile and re writing it choosing our own characters. Children will learn a range of writing features including adjectives, expanded noun phrases and punctuations. We will then be moving on to writing our own poem.

We will be looking a range of vehicles and how they move. Children will learn about axels and how wheels move on a vehicle. We will then be designing and creating our own moving vehicle.

As scientists we will be looking at a range of everyday materials and their properties. We will be exploring why certain objects are made of materials.

## **D&T**

**Using wheels and axels.**

## **Science**

**Use of everyday materials.**

**PSHE: Celebrating differences.**

## **English**

**Story writing and poetry.**

## **Computing**

Year 1: Digital painting  
Year 2: Digital images.

## **On the Move.**

**History of transport**

## **History**

**On the move.**

As mathematicians we will be adding and subtracting numbers to 100. We will be looking at adding and subtracting using manipulatives and also mentally (Year 2). We will then move on to identifying and naming properties of both 2D and 3D shapes.

**Maths – addition and subtraction, shape.**

**P.E.**

**Real Gym**

**Handball/cross country**

In PE we will be developing skills in handball. In indoor PE we will be developing gymnastics skills.

As Historians we will be looking at a range of transport which is used. We will also be comparing transport to the past and seeing how it has changed over time.

Our topic is 'On the Move' We will be looking at how transport has changed over time. Please can we have cardboard boxes sent in for us to create vehicles. If these can be brought in by 21<sup>st</sup> November 2022. Thank you!

**P.E.** Wednesday Friday  
**Library:** Thursday pm  
**Music:** Tuesday mornings  
**Forest School:** Tuesday pm

General class dates :  
Christmas Nativity at the Church: Monday 12<sup>th</sup> December pm  
Christingle: Thursday 15<sup>th</sup> December 2022  
Pantomime: Friday 16<sup>th</sup> December 2022  
Break up for Christmas holidays: Friday 16<sup>th</sup> December 2022

Please ensure children have their reading records, water bottle and book bag in school every day.  
Children must bring their PE kit in a labelled bag. All clothes need to be named- this really helps to avoid mix ups or clothes being mislaid.

Outdoor learning will be taking place on Tuesday afternoon. Children can come to school wearing their outdoor clothes on this day. Please ensure children have coats and appropriate shoes on this day. Wellies can stay in school in the outdoor shed in a bag.

### Autumn Term 2 2022

### Curriculum Newsletter

Dear Parents and Carers

We had a fantastic half term, it was so lovely to see the children settling in so well into their new class. I am sure this half term will be as equally exciting!

Please ensure you are reading at least 3 times a week, children have been sent home 2 books a shared reader and a book matched to their phonics level- these should ideally be changed weekly. Each week children will receive a set of spellings for them to learn, please practice each week and we will do a spelling test every Friday.

The children are very excited to be putting on a Nativity for parents/carers to watch again this year. They have been allocated parts and scripts have been sent home. Please ensure these are in school every day for us to rehearse. Please practice with your child to ensure they are learning their lines.

It was so lovely to meet with you all at parents evening and I would like to thank you again for all of your support.

If you do have any questions, please do not hesitate to contact me, or Mrs Lemon.

Miss Allen and Mrs Lemon
