Christmas 2022

Nativity Service and Carol Service

We enjoyed two really lovely services led by the children.

Well done to everyone who took part! There were many highlights and you will have your special moments to especially remember.

The children were shining stars, and brought a sprinkling of joy and Christmas spirit, reminding us what Christmas is all about.

Thank you to all staff, Miss Berners and all children for all your superb work to create two wonderful services for us all to enjoy and share in the celebration of Christmas

The church collection raised £137.88. Thank you- this amount will be shared between Save The Children for their Christmas Jumper Appeal and the RSPCA, which is the children's chosen charity.

If you would like to join in, you would be most welcome to attend these Christmas services for families at Lyng, Elsing or Sparham churches.

FOLS Friends of Lyng School

A big Thank You! to the hardworking team of parents who have continued to support the school. Although there have been no in school events this term, we have had the Christmas card designs, and the Christmas Disco today for the benefit of the children. In addition, each has received a Chocolate Selection Box to take home for Christmas.

Funds raised have also significantly contributed to pupil trips recently, as the costs of coach travel have soared.

Willing volunteers and helpers are always needed to help spread the load, please do get in touch via the FOLS Facebook page if you would like to get involved.

Our Values

Next half term we will be learning about Courage. Children will be learning about courage as: Stepping out of your comfort zone; Facing a challenge; Overcoming fear; Encouraging others; Courage to do the right thing.

In celebrating the Christian calendar, we will focus on the season of Epiphany, and how the wise men travelled a long and difficult journey to find Jesus. Later in the term, we will find out about Lent and Easter.

Team Points Award

**This term's winners are the Kingfishers.
Well done, they had the most team points this term.**

Attendance 100% ATTENDANCE!

We have 17 children with 100% attendance this term ...
FANTASTIC and WELL DONE to all of those children!

Polite Reminders:

Parking :No dropping off in the area where the yellow zig zag lines are. This creates congestion and makes it less safe for families.

We would also like to request that engines are not left running whilst you wait for your child, so that we can minimise children's exposure to fumes on their walk to and from the school.

Thank you very much to everyone for your cooperation.
