

As scientists we will be finding out about different materials and the suitability of materials in everyday objects.

As artists we will be looking at a range of painting techniques and we will be creating a Great Fire of London landscape picture.

As readers we will be looking at information texts, stories with predictable patterns and fantasy stories. As writers we will then be using what we have learnt to create our information texts and patterned stories.

Art and D&T
Paintings

Science

Uses of everyday materials.

Computing

We will be looking at the Uses of IT both inside and outside of school and we will be discussing how to use it safely.

English

Labels and captions,
Patterned stories.

Fire

History

The Great Fire of London.

PSHE & RE
RE: Light as an important symbol
PSHE: Being me in my world

Maths

Place value,
addition and
subtraction

P.E.

Tag Rugby

As mathematicians we will be counting up to 10 (Year 1) and up to 50 (Year 2) We will be looking at partitioning numbers and using this to complete addition and subtraction number sentences.

In PE we will be developing a range of multi-skills and playing games involving tag rugby.

As Historians we will be looking at how fire has been used to light houses and to cook with through the last 100 years. We will also be finding out about The Great Fire of London through the diaries of Samuel Pepys. We will be looking at the differences between London now and in 1666

Our Topic this half term is 'The Great Fire of London' we will be comparing London in 1666 to now. If children do complete any home learning on this topic please do send it in!

Please remember to label all uniform and bring reading records in daily.

P.E. Wednesdays and Fridays
Music: Thursday
Library: Monday

NB. There will be 2 Outdoor Learning sessions this half term
18.09.2023
02.10.2023
Please ensure children are wearing sensible clothes and bring wellies and a coat on these days.

Lyng CE Primary School

Willow class
Autumn Term (first half)
Curriculum Newsletter

Dear Parents and Carers

Willow Class have started this school year excellently! It has been so lovely to get to know the children and see new friendships blossoming! We started our topic by learning a song about the Great Fire of London (this is currently a daily request in class)

Children love to create, find out and be busy at home and we all enjoy seeing these self-initiated activities so please do send them in!

Regular reading practice is also very helpful in supporting what your child does in school. It is recommended that short bursts each night really help in year 1 as does extending their range of reading materials in Year 2, for example, with some personal research on the Great Fire of London.

Sometimes additional spelling or maths practice will be helpful.

If you do have any questions/concerns please do not hesitate to contact me
Thank you for your help and support
Miss Allen
