Oak Class Year 5/6

Summer Term 2

Welcome back! We hope you all had a very restful half term and are returning ready for our final weeks of the school year! This half term in Geography we are focusing on Map reading and will be busy learning and rehearsing our leavers play. As always, thank you so much for all of your support. If you do have any questions/concerns please contact Miss Wharton!

Mapping the World

In Geography this half term we will be focusing on what maps can tell us about the world. We will also learn how to read an ordnance survey map.

English

We will write a non-chronological report linked to the book, 'The land of Neverbelieve'.

We will be reading and writing poetry.

We will continue to work on our comprehension skills during reading stars.

Maths

We will continue to practice our number fluency through 'Number Ninjas' followed by a short weekly arithmetic quiz.

This half term we will be focusing on:

Year 5

Working with decimals, negative numbers, looking at measurements' and converting units

Year 6

Will use all their maths skills to solve investigations and number problems.

Science

We will learn about how we use electricity and how electrical circuits are made and drawn.

Religious Education

This half term we will be answering the question 'How do Hindu's make sense of the world?'

We will learn about their beliefs and how they celebrate their religion.

Physical Education

PE will continue to be held on Wednesday and Thursday. This term we are working on athletic skills and playing rounders'. Please come to school in appropriate PE kit on Wednesdays and Thursdays.

Notes

As the weather is becoming warmer, please send your child into school with suncream and a hat. Children can reapply suncream before they go outside for lunch time, water bottles.

If you have any questions please do not hesitate to contact the school office. Thank you
Miss Wharton
