

# Lyng C of E Primary Academy Summer Term 1 2025 Newsletter

Cherry Class  
Year R

## Let Your Light Shine!

We have lots of fun learning planned this half term.

Our value this half term is Friendship. We will look at our value in collective worship and in sessions in class.

Please remember as weather warms up, to provide a sun hat and apply sun cream as needed.

Continue to use Tapestry by adding photos and videos so we can share these in class.

As we progress with our reading, we appreciate your continued support at home. Everyday reading at home is a great way to boast these skills.

We will continue to have weekly outdoor learning sessions on **Thursdays** these will take place in all weathers.

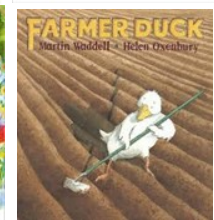

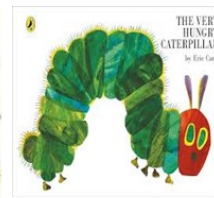

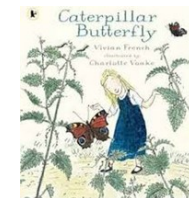

PE will remain on **Thursdays** and the children will change at school.

## This half term's learning:

Our focus for this half term will be 'The great outdoors'. We will be focusing on life cycles, farming, wildlife and nature.

### Literacy/Phonics

We will move our focus onto writing in sentences, labelling, and writing about life cycles. We will also look at fact verses fiction this half term.

### Maths

In our maths lesson we will; learn about teen numbers, numbers beyond 20, patterns beyond 10 - 20, verbal counting beyond 20, adding & taking away, and using shapes for a purpose.

### Physical Development

We will be continuing our PE lesson with Miss Cameron, focusing on real PE and building our physical skills. We will expand our physical skills outside and focus on team games.

**Please return PE kits to school.**

### Expressive Arts and Design

We will explore art through creating farm pictures, making healthy eating collages, create life cycle artworks and singing songs and learning some familiar songs.

### Understanding the World

Our learning will focus on observing and looking after wildlife, farming and change, habitats and growing. We will learn about the life cycles of different amphibians, mammals and insects.

### Personal, social and emotional development

We will be discussing friendships, looking at ways we can get along and solve problems. We will focus on perseverance and caring for others in lots of circumstances.

### Communication and Language

We will be describing the world around us, focusing on wildlife and living things. We will look at and discuss what is a good choice or a bad choice in certain situations.
