Welcome back! We hope you all had a wonderful half term break. Miss Wharton and Mrs Warnes are looking forward to another exciting half term as we prepare for moving up a year group in September. We have a visit to the Norfolk Show to perform in the main ring, to look forward to. Let's see what we will be learning...

We will learn about ancient Greece. How it was organised, what 'The Golden age of Greece' was. We will learn about how Athens and Sparta became city-states. We will investigate who Alexander the Great was and what the lasting achievements of the Greeks were.

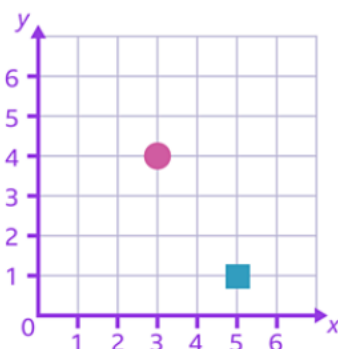

English

This half term we are working on our knowledge of decimals using money, properties of shape where we will identify angles and draw shapes and angles. We will describe position using coordinates. In statistics we will interpret bar charts and interpret line graphs.
